## UI/UX Designer

✉ prashantpoudel3333@gmail.com ☎ 9861176090 📍 Bhaktapur 🌐 LinkedIn

### PROFILE

Detail-oriented UI/UX Designer skilled in Adobe XD, Figma, and Sketch. Passionate about creating intuitive interfaces and solving complex design challenges to enhance user satisfaction.

### PROFESSIONAL EXPERIENCE

#### User interface designer, Tech101 🔗

07-2023 – 11-2023 | Kathmandu

- Led User Research: Collected user feedback to create intuitive and effective design solutions.
- Created Prototypes: Developed detailed wireframes and prototypes to illustrate design concepts clearly.
- Worked with Developers: Ensured accurate implementation of designs by collaborating closely with developers.
- Quick Project Turnaround: Designed user-friendly webpages, enabling faster completion of multiple projects.
- Increased Engagement: Created easy-to-use interfaces, keeping users on the site longer.
- Enhanced Online Presence: Improved digital presence for clients, boosting customer interest and conversions.

#### Member, Herald Devcorps UI Visuals Community

02-2023 – 04-2023 | Kathmandu

- Aligned Project Goals: Worked with team members to ensure everyone focused on the same objectives.
- Generated Design Ideas: Participated in brainstorming sessions to develop creative design concepts.
- Improved UI/UX Skills: Enhanced understanding of UI/UX principles and best practices through hands-on projects.
- Conducted User Research: Assisted in gathering user feedback to inform and improve design decisions.
